Look for the Bay Area Urology and Vascular Center of Northern Michigan sign. We are the first building when you drive in.

Michael D. Colburn, MD, FACS  
Michael J. Boros, MD, FACS

### E-Prescribing Consent Form

E-Prescribing is defined as a physician’s ability to electronically send an accurate, error free and understandable prescription directly to a pharmacy from the point of care. Congress has determined that the ability to electronically send prescriptions is an important element in improving the quality of patient care. E-Prescribing greatly reduces medication errors and enhances patient safety. The Medicare Modernization Act (MMA) of 2003 listed standards that have to be included in an E-Prescribe program. These include:

- **Formulary and benefit transactions** – Gives the prescriber information about which drugs are covered by the drug benefit plan.
- **Medication history transactions** – Provides the physician with information about medications the patient is already taking to minimize the number of adverse drug events.
- **Fill status notification** – Allows the prescriber to receive an electronic notice from the pharmacy telling them if the patient’s prescriptions has been picked up, not picked up or partially filled.

By signing this consent form, you are agreeing that Michael Colburn, MD, FACS or Michael Boros, MD can request and use your prescription medication history from other healthcare providers and/or third party pharmacy benefit payors for treatment purposes.

Understanding all of the above, I hereby provide informed consent to Michael Colburn, MD, FACS or Michael Boros, MD to enroll me in the E-Prescribe Program. I have had the chance to ask questions and all of my questions have been answered to my satisfaction.

## PATIENT CONSENT FOR USE AND DISCLOSURE OF PROTECTED HEALTH INFORMATION (PHI)

I am aware that the Vascular Center of Northern Michigan (VCNM) has a copy of the notice of privacy practices for me to review, if I choose.

I hereby give consent for VCNM's notice to use, disclose and receive protected health information (PHI) about me to carry out treatment, payment, and health care operations. VCNM's notice of privacy provides a more complete description of uses and disclosures.

I have the right to review the notice of privacy practices prior to signing this consent. VCNM reserves the right to revise its notice of privacy practices at any time. A revised notice of privacy practices may be obtained by forwarding a written request to VCNM office at 3930 Cedar Run Road, Traverse City, MI 49684

With this consent, VCNM may mail or call my home or other alternative location (that I name) and leave a message in reference to any items that assist the practice in carrying out treatment, payment, and health care operations, such as appointment reminders, test or pathology results, insurance items, recommended procedures, diagnostic testing, reminder cards and patient statements pertaining to my clinical care.

With this consent, VCNM has my permission to release any and all medical information to the following person (only one) other than your doctors. (Re: information such as: surgical, diagnostic testing, billing, etc.)

➤ **Name of representative #1** \_\_\_\_\_ **Phone #** \_\_\_\_\_

➤ **Relationship** \_\_\_\_\_

➤ **Name of representative #2** \_\_\_\_\_ **Phone #** \_\_\_\_\_

➤ **Relationship** \_\_\_\_\_

I have the right to request that VCNM restrict how it uses or discloses my PHI to carry out treatment, payment and health care operations. The practice is not required to agree to my request restrictions, but if it does, it is bound by this agreement.

By signing this form, I am consenting to VCNM use and disclosure of mu PHI to carry out treatment, payment, and health care operations. I may revoke my consent in writing except to the extent that the practice has already made disclosures in reliance upon my prior consent. If I do not sign this consent, or later revoke it, VCNM may decline to provide treatment to me. By signing this consent, I am acknowledging receipt of this practice's notice of privacy practices for review.

➤ **Signature** \_\_\_\_\_ **Date** \_\_\_\_\_

➤ **Legal guardian's name** \_\_\_\_\_

## FINANCIAL RESPONSIBILITY

- The Vascular Center of Northern Michigan participates with Medicare, Blue Cross and Blues Shield, Blue Care Network, Priority Health, Cofinity, Tricare, Medicare Advantage, BCN Advantage, Cigna, Aetna, Humana, Medicaid, Meridian, McLaren, and Tencon. We accept the approved amount for services rendered as designated by the insurance company, excluding any co-pays, co-insurances and or deductibles, at which time this becomes the patient's responsibility.
- Vascular Center of Northern Michigan will bill your insurance carrier. Any co-pays will be collected at the time of service.
- After billing your insurance or insurances any remaining balance will be forwarded to you and becomes your financial responsibility.
- **NO INSURANCE** – If you have no insurance coverage you are responsible for all services rendered at the time of your visit – VCNM and yourself should have discussed the approximate amount of your visit and it will be noted in your chart. We do offer **financial arrangements, but they must be made prior to your appointment.** We do accept Visa and Master Cards for your convenience.
- I hereby authorize my insurance carrier to make payment for service rendered directly to VCNM. The remaining balance will become my responsibility.
- I hereby authorize the VCNM to release any information acquired in the course of my examination or treatment to my insurance carrier, attending physician or Attorney in order to obtain payment.
- I understand I am fully responsible for all charges incurred whether or not paid by my Insurance carrier. I have read and agree to the terms and financial policies stated above.

## **WHY WE ASK FOR YOU EMAIL ADDRESS**

### **What Is the “Patient Portal”?**

The patient Portal allows our patients to communicate with their physicians easily, securely, and reliably over the internet.

The interface is user –friendly and presents all of the information needed for our patients to connect with our physicians and pro-actively participate in the management of their healthcare.

### **What are the benefits?**

You can:

- View the date and time of upcoming appointments.
- Request prescription refills from your specific, pre-populated list of currently refillable prescriptions.
- Review your account statement.
- Send secure messages to our staff.
- Update your demographic information.
- Complete medical questionnaires and history forms online, saving you time in our office.

### **Is it secure?**

Yes! The Patient Portal is hosted on a secure data center using Hypertext Transfer Protocol with SLL technology (HTTPS) to provide encrypted communication between our patients and our office.

Each patient is given a password at the practice upon enrollment. Upon the first log-in at home, you are prompted to create your own password, and your own security question and answer. Password strength rules are enforced.

### **“But I don’t want my personal information in my email...”**

Vascular Center of Northern MI will never send your Protected Health Information (PHI) over regular email. You will receive a notification in your email inbox whenever new information is available for you to view. You will ALWAYS need to enter your username and password in order to access PHI.

### **How do I get to the Patient Portal?**

You can access the Patient Portal two ways:

When you register with our practice to enable your access, an email is automatically sent to the email address you provide which contains the link to the Patient Portal.

You can always access the Patient Portal by going to our website, [vascularcentermi.com](http://vascularcentermi.com), and clicking on the “Patient Portal” button.

### **What if I have questions when I get logged in?**

Call us! We are here in the office Monday-Thursday 7:30am-5:00pm, Friday 7:30am-3:00pm to assist you with any questions you have when working with Patient Portal. If you forget your password, there is a link under the login that will allow you to reset your password without having to call for support.
